**TA Roloff at Pacific 2008**

TA Roloff participated in the Pacific 2008 exhibition at Darling Harbour earlier this month. Dierk Fischer and Annett Olschewski from the TA Roloff factory in Hamburg Germany attended the 5 day exhibition as part of the German trade Pavillion. On show was the TA Roloff IP68 electric actuator, suitable for continuous submersion to depths up to 1000 mtrs. Also on display was the TA Roloff FM Series Spring Return electric actuator with the optional stainless steel and Exd rated enclosure.

**CHARACTER FIRST  
BOLDNESS**

Confidence that what I have to say is true and correct  
... Take courage  
... Never give up.  
... Stand firm.

- 5 Keys to Building Boldness:**
- "Earn the right to speak" – wait patiently for credibility to grow.
  - "Know the truth" – examine information to determine what is true.
  - "Stand for what is right" – look for integrity and excellence.
  - "Support others" – support others even if it is not your problem.
  - "Speak with humility" – see beyond opinions and agendas.

*Why is Boldness important?*  
Boldness enables us to stand firm when confronted by challenges that must be handled correctly and honestly.

Hugh Peters Rocks

Over the years we have heard stories about our Internal Sales Guru Hugh Peters' exploits as a guitarist and at the Acrodyne Christmas breakup we finally got a taste of the mans talents. Hugh and Rod organised a treat for the hard working crew at Acrodyne by putting together a band made up of Rod Mason on bass guitar, Chris "the animal" Hoare on drums, Dick Kors on harmonica, Hugh "George" Peters on electric guitar and the singing talents of Alex "Rock God" Grunwald and Andrew "voice of an angel" Hartley.
